CULINARY & COCKTAILS

Bird & Bone is a showcase of the American culinary landscape by popular Miami Chef Richard Hales. Hales sources a menu that reflects the heart and soul of the country from independent small farms and organic butchers, touching on his passion for Southern dining. Bird & Bone is open for breakfast, lunch and dinner, and serves a selection of signature cocktails.

Top Chef alum and restaurateur Dale Talde, along with partners David Massoni and John Bush of Three Kings Restaurant Group, present their popular Brooklyn and Jersey City-based restaurant and bar, TALDE Miami Beach. TALDE serves signature cocktails and a creative menu of Asian-American fare for dinner nightly, with late-night hours on the weekends.
